4, Bowling Green

New York, Feb. 18, 1893.

Hon. Francis Hendricks,

Collector of the Port of New York.

Sir,

The S.S. "Aurania" left Liverpool Feb. 11th with 90 first-class, 100 second class and 235 steerage passengers and is expected to arrive at this port to-morrow.

All of these passengers are, Citizens, their husbands, wives, children, parents or brothers and sisters - Residents, their husbands, wives, children, parents or brothers and sisters - Visitors, who intend to remain in the United States but a short period - affidavits to this effect are subscribed to, by each steerage passenger before embarkation, and to the best of our knowledge and belief none of them are immigrants as defined in Circular No. 191.

We would therefore ask that the "Aurania" be released by you after having been passed by the Health Officer of the Port.

Yours respectfully,

Wm. H. Brown & Co.

Hon. Francis Hendrix

Collector of the Port

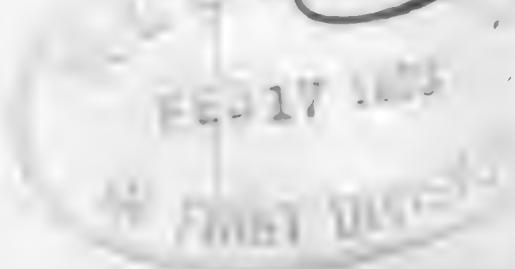

New York

Sir

We have due here on the 18th. or 20th. inst. the ss "Plata" from the Port of Naples with 693 steerage passengers. We would respectfully ask that instructions may be issued for the entry of this ship after passing quarantine. We base this application on the fact that we in December by cable and by letter gave the owners of the steamers full details as to the classes of steerage that might be admitted, and that they in owning receipt of our instructions advised us that they would hereafter send forward only such, and that this is the first sailing by their steamers since these instructions, and that we have letter confirmation from them that she would carry only the admitted classes.

Respectfully Yours

I, Edward J. Smith R. I. P. Master of the R. M. S. Britannic do solemnly, sincerely and truly affirm that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool & Limerick from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the last residence and country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Sworn to this 27th Dec 1893

New York

Feb. 24, 1893.

Hon. Francis Hendricks,

Collector of the Port of New York.

Sir,

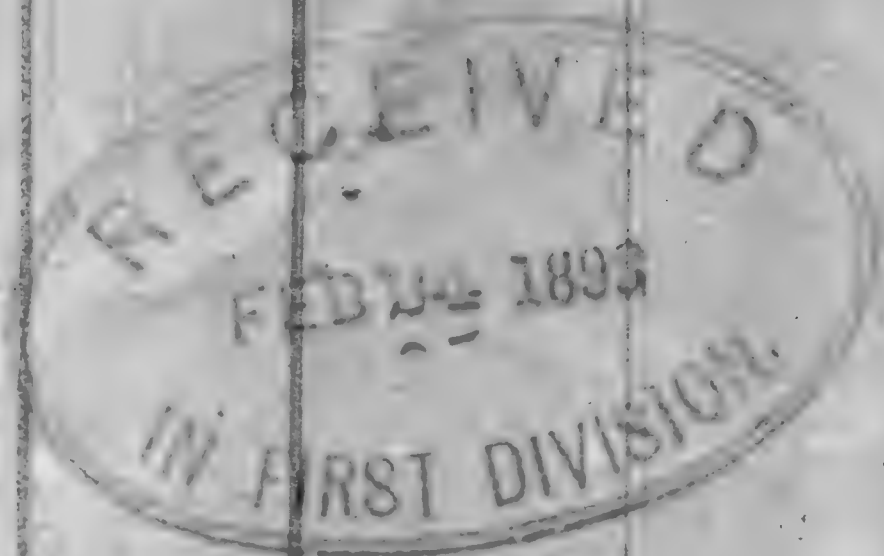

The S.S. "Etruria" left Liverpool Feb. 18th with 118 first class, 242 second class and 500 steerage passengers and is expected to arrive at this port to-morrow.

All of these passengers are Citizens, their husbands, wives, children, parents or brothers and sisters - Residents, their husbands, wives children, parents or brothers and sisters - Visitors, who intend to remain in the United States but a short period - affidavits to this effect are subscribed to, by each steerage passenger before embarkation, and to the best of our knowledge and belief none of them is an immigrant as defined in Circular No. 191.

We would therefore ask that the "Etruria" be released by you after having been passed by the Health Officer of the Port.

Yours respectfully,

Vernon H. Brown

4 Bowling Green

New York, March 3, 1893.

Hon. Francis Hendricks,

Collector of the Port of New York.

Sir,

The S.S. "Servia" left Liverpool Feb. 26th with 70 first class, 220 second class and 390 steerage passengers and is expected to arrive at this port Sunday 5th instant.

All of these passengers are Citizens, their husbands, wives, children, parents or brothers and sisters - Residents, their husbands, wives, children, parents or brothers and sisters - Visitors, who intend to remain in the United States but a short period - Affidavits to this effect are subscribed to, by each steerage passenger before embarkation, and to the best of our knowledge and belief none of them is an immigrant as defined in Circular No. 191.

We would therefore ask that the "Servia" be released by you after having been passed by the Health Officer of the Port.

Yours respectfully,

Vernon H Brown & Co.
